
When I look at my reflection in a pool of water or a pane of glass, I stand back and ask myself, "What makes up this creature I call me?" The answer changes every time, for each day new friends and events happen that cause, ever so small, a change in me. This book could not contain all that has affected me this past year, but it is a record of many of the friends and events that have changed my life. I have grown. I have become wiser. I have become the person I am today, but not the person I will be tomorrow. For each day I change. Each day I look at my new **REFLECTION.**

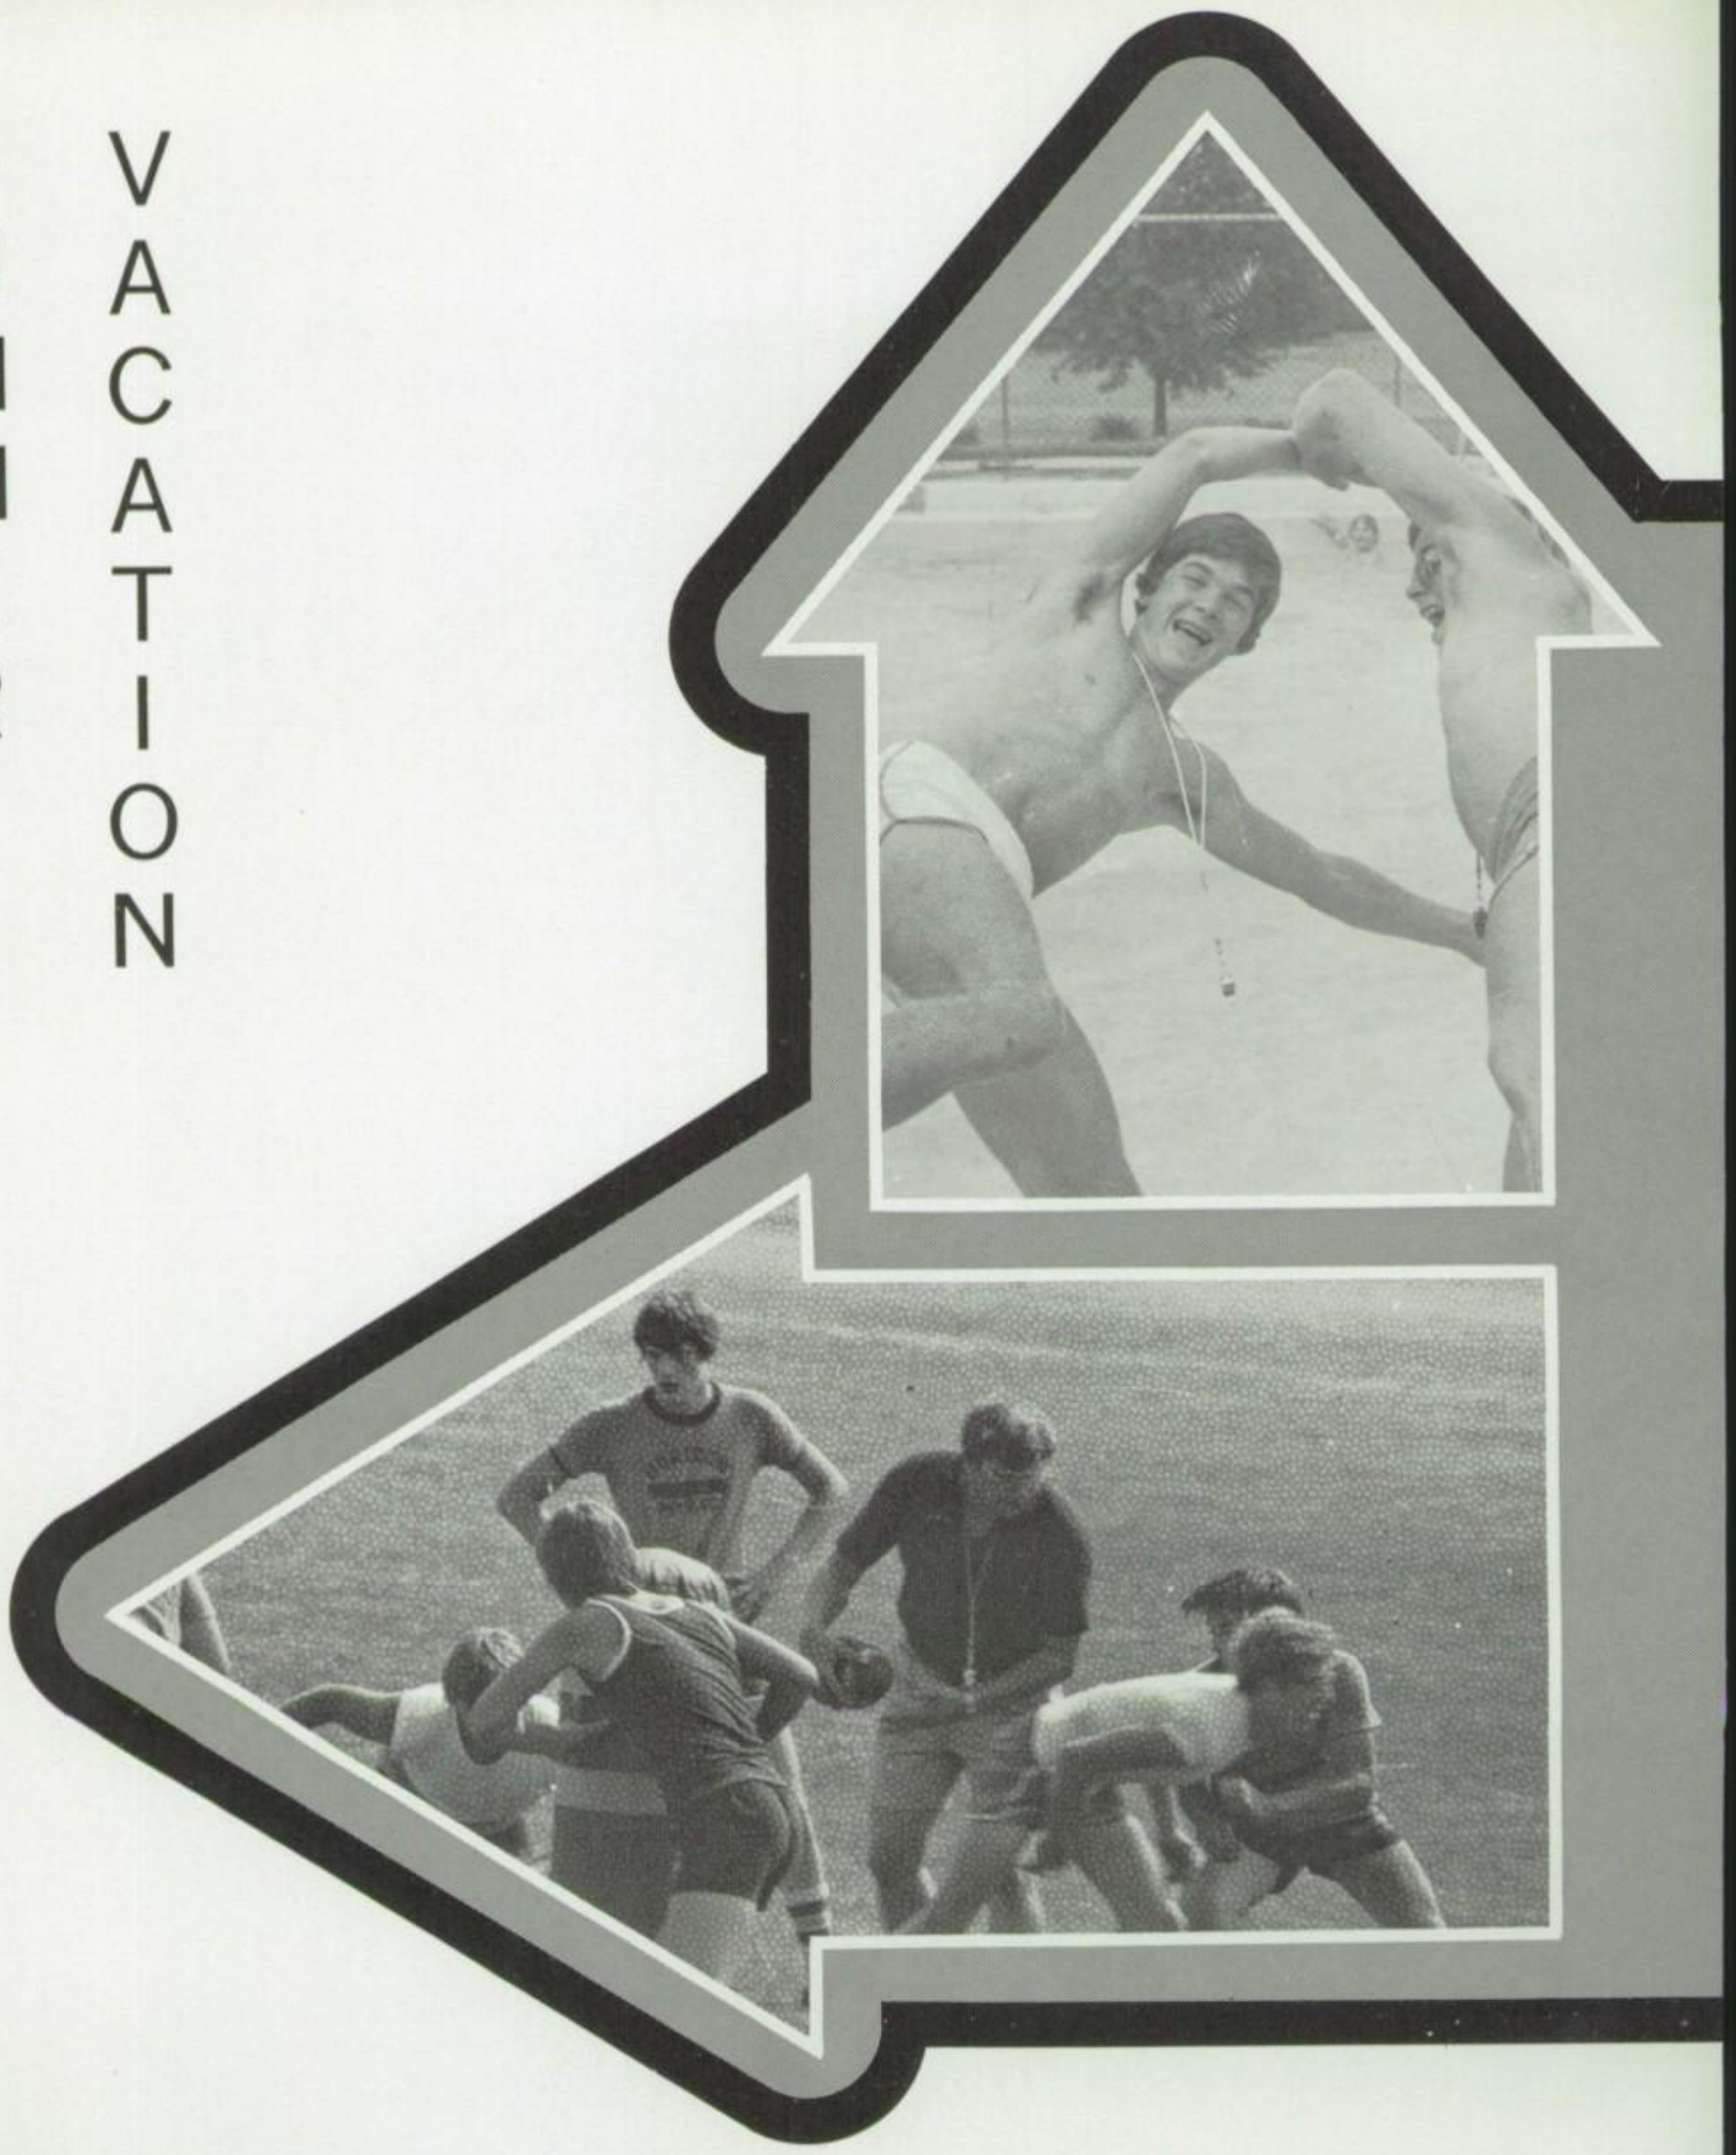
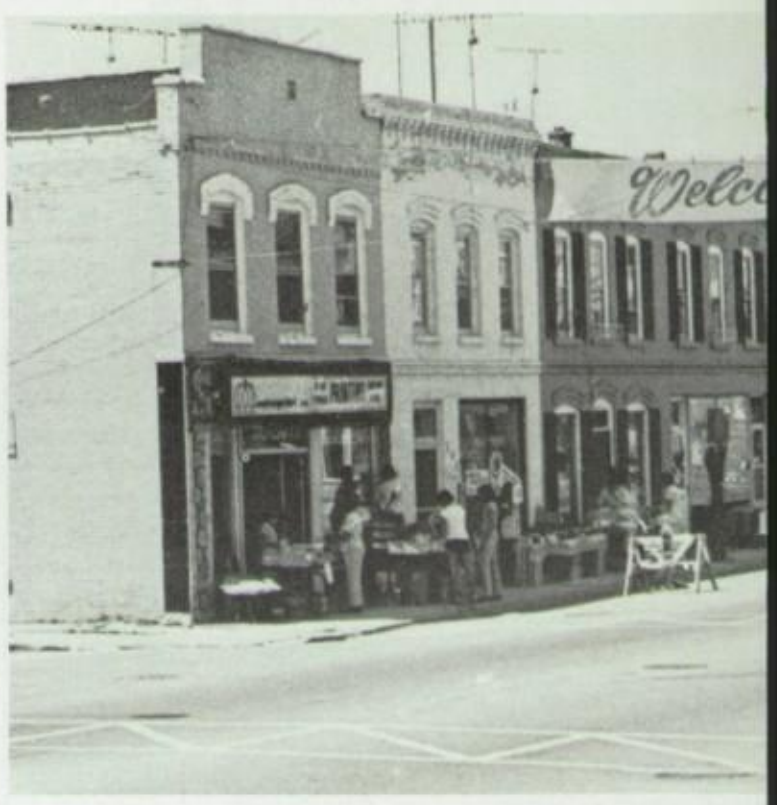
SUMMER VACATION



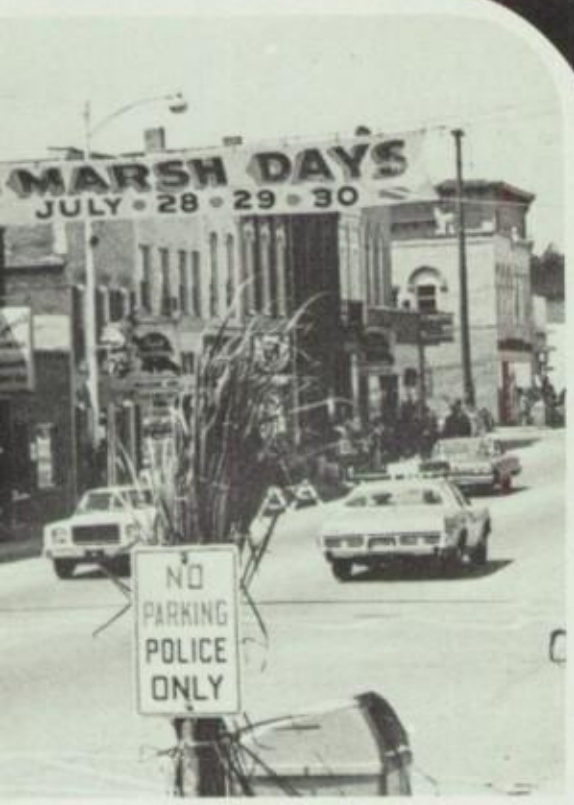
WHICH WAY TO GO?

CHOICES WERE MADE

The long awaited day had arrived as we laid down our pencils after the last final exam. After thirty-six weeks of waiting, we could finally make our plans, our dreams and our hopes come to reality as summer vacation opened up before us. For some, these three months promised days of sleeping late, sunning, swimming and taking it easy. For others it meant earning needed money. And for the rest, summer vacation held promises of trips, shaping up for next season's sporting events, or meeting new people.



WHAT HAPPENED TO SUMMER?



We began our summer with so many plans. Our plans were c arried out and our summer-time lives were filled with many things to do. As the new school year approached, we reflected and wondered

The 1978 Cross Country team showed good form this year and wound up in a tie for third place in the Conference standings. The team capped the year with a good score at the conference meet. They beat rival North Fondy there to make up for our dual meet loss to them. That gave Horicon a total of ten points in conference, which tied us with North Fond du Lac.

The 1978 Girl's Golf team had a highly successful season this year posting a 7-5 record. Under the supervision of a new coach, Mrs. Kay Nitschke, the team played well. Since they did not have a conference to compete in, the girls faced large schools, such as West Bend West, Nicolet, and Menomonee Falls.

The golfers also earned an eighth place finish in the regional tournament at Sheboygan. Mel Mayo was voted the Most Valuable Player by the team.

Our team started this season with ten young, energetic players and a very enthusiastic coach. The 0-9 record cannot show the enormous amount of time and effort spent during practice sessions. Future seasons are looking bright for our young team for we lost only one member to graduation.

This year's volleyball team had a very interesting and competitive season. Under the new direction of Coach Mrs. Porubcan, the team managed a respectable season, by bettering last year's overall record with twenty-six more wins. The JV squad, coached by Mrs. Phillips, also improved their record over last year.

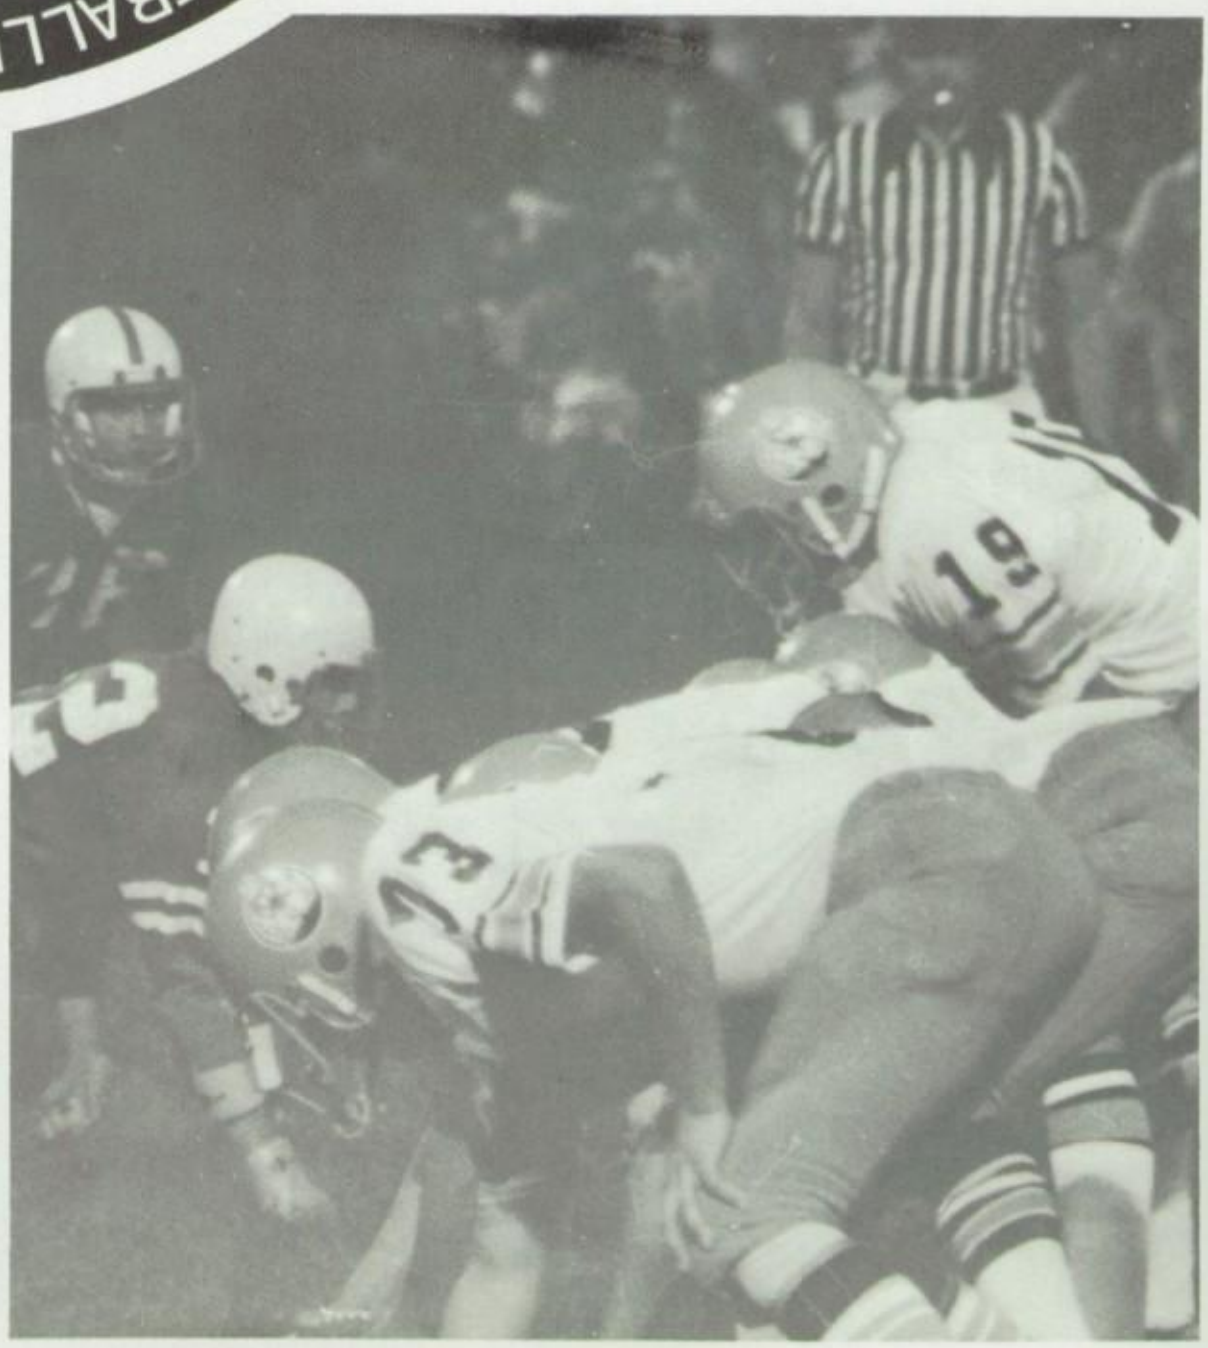
Our 1978 Varsity football team continued the winning tradition associated with Horicon and had a successful season. The Marshmen, coached by Mr. Meyer and new assistant Mr. Hereid, finished a respectable second in conference, losing only to Dodgeland in conference play. The season began for the team on August 10, in the heat of late summer. Unfortunately they did not begin the season winning, losing tough games to Columbus and then Mayville. But our team did not give up, and fought back to win six out of their next seven games.



The team may not have won conference this year, but they do have a lot to be proud of. Marshmen voted All-Conference were Russ Mann-offensive running back and defensive linebacker, Jeff Beilfuss-offensive tackle and defensive lineman, Dave Teal-defensive halfback. Horicon was represented on the second team by Joe Kiesow-defensive end, and Nathan Wilke-offensive guard. Joe Schultz received honorable mention at offensive end. The team ended the season with a record to be proud of.

The 1978 Junior Varsity football team compiled a fine 6-2 record this season. Our team earned a co-championship for the Flyway crown. The outstanding players for JV were Jeff Resop, Greg Braker, Kieth Resop and Ed Schmidt; each receiving more than 50 defensive points.

Mr. Neimuth and Mr. Hillery were the winning coaches for the 1978 season. The 1978 Freshman football team accomplished an outstanding feat this year. Coached by Mr. Anthoine, our freshman team held all six of their opponents

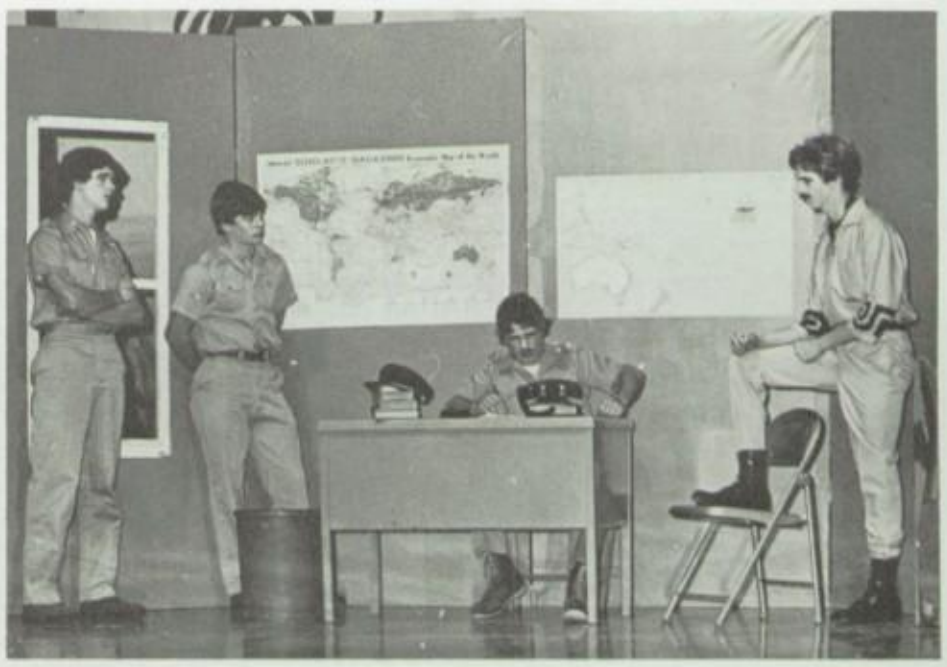
OCT. 2-7, 1978

Once again the student council put on a fantastic series of events for homecoming week. It started with door decorating, won by the seniors; and float building, with the freshmen taking first. The wet weather on Thursday did not dampen the rowdy mood we were in at the parade. It did, however, cause the pep rally to be held in the gym. The festive spirit was shared by each class, especially during the Friday afternoon contests, with the Freshmen winning the egg-throwing contest; the Juniors taking 1st in the tug-of-war; and the Seniors dominating the wheel barrow race. The class of '79 wound up the week triumphantly by winning the spirit stick. Our 19-0 win over Campbellsport and the Saturday night dance, with music by "Starborn", completed a week filled with high spirits and many memories.



NOVEMBER

The curtains were drawn back on November 3 to reveal once again a talented group of HHS actors and singers. This year's musical, "South Pacific" by Rodgers and Hammerstein, was brought to life once again on our stage. Who could believe it was really a cold November weekend in 1978 instead of the warm tropical paradise during World War II. The atmosphere created by the stage, lighting and sound crews helped create a mood in which any one could easily lose themselves in.

The lead roles, who were backed by a strong cast and chorus, were played by Sara Kiesow (Ensign

3-4-5, 1978

Nellie Forbush), Paul Loomans (Emile De Becque), Anne Aumann (Bloody Mary), Scott Bell (Luther Billis), Ray Aumann (Lt. Joseph Cable), Kevin Gregg (Capt. George Brackett), and Doreen Koepsell (Liat.)

Some of the songs such as "There's Nothing Like a Dame", sung by the sailors; "I'm Gonna Wash That Man Right Outa My Hair", by Nellie; and "Bali Ha'i", by the island maidens, will play on in the hearts of all who heard them. Of course, the musical couldn't have been the success it was without the outstanding direction by Mr. Ritter and Miss Leitzen.

Our first year at HHS was one that we will never forget. At first we were confused and maybe even a little scared, but we learned to pull together and won the Homecoming float competition with our slogan "We Won't Let The Cougars Ketchup", as well as the Winterfest hall decorating contest. In sports, we even amazed ourselves by having a football team with a 6-0 record. With a lot of enthusiasm we finally got a freshman girls' basketball team formed. We are all looking forward to three more great years of high school, and we hope they all will be as successful as our first one.

As Sophomores we began to understand why class unity is so valuable to a class. With Steve Gietzel, Jodi Fink, and Ellen Raue leading our class, we decided to order class rings, and could hardly wait for them to get here. With half of our high school days over, we remember all the good things that we have participated in during the past two years; including sports, drama, music, dances, and, of course, reluctantly, classes. We feel we can say we are the biggest class in heart as well as numbers.

The Junior Class grew closer throughout the year. Kevin Gregg led us as President with the help of Kelly Lyons as our Vice-President. With Chris Hunt as Treasurer and Ellen Lohr as our Secretary we raised the spirit, participation, and money necessary for our prom. With prom constantly on our minds, we learned to work together, and helped each other to find the true meaning of class unity. Prom chairmen Ann Classen and Scott Bell worked to help us organize the nineteen seventy-nine Prom, making it a big event, and giving us something really special to remember from our Junior year. We were happy to participate in the first Winterfest at HHS. Our Junior year proved to be eventful, profitable, and truly memorable for all the members of the class of nineteen eighty.

Layouts, croppers, copy keys and job numbers were only a few of the new words that seeped into the vocabulary of the Bugler staff. When put to use, they helped create "Reflections" as the theme and brought forth some new ideas for Horicon's 1979 annual. After many long hours and midnight sessions, the staff produced the book you are now reading.

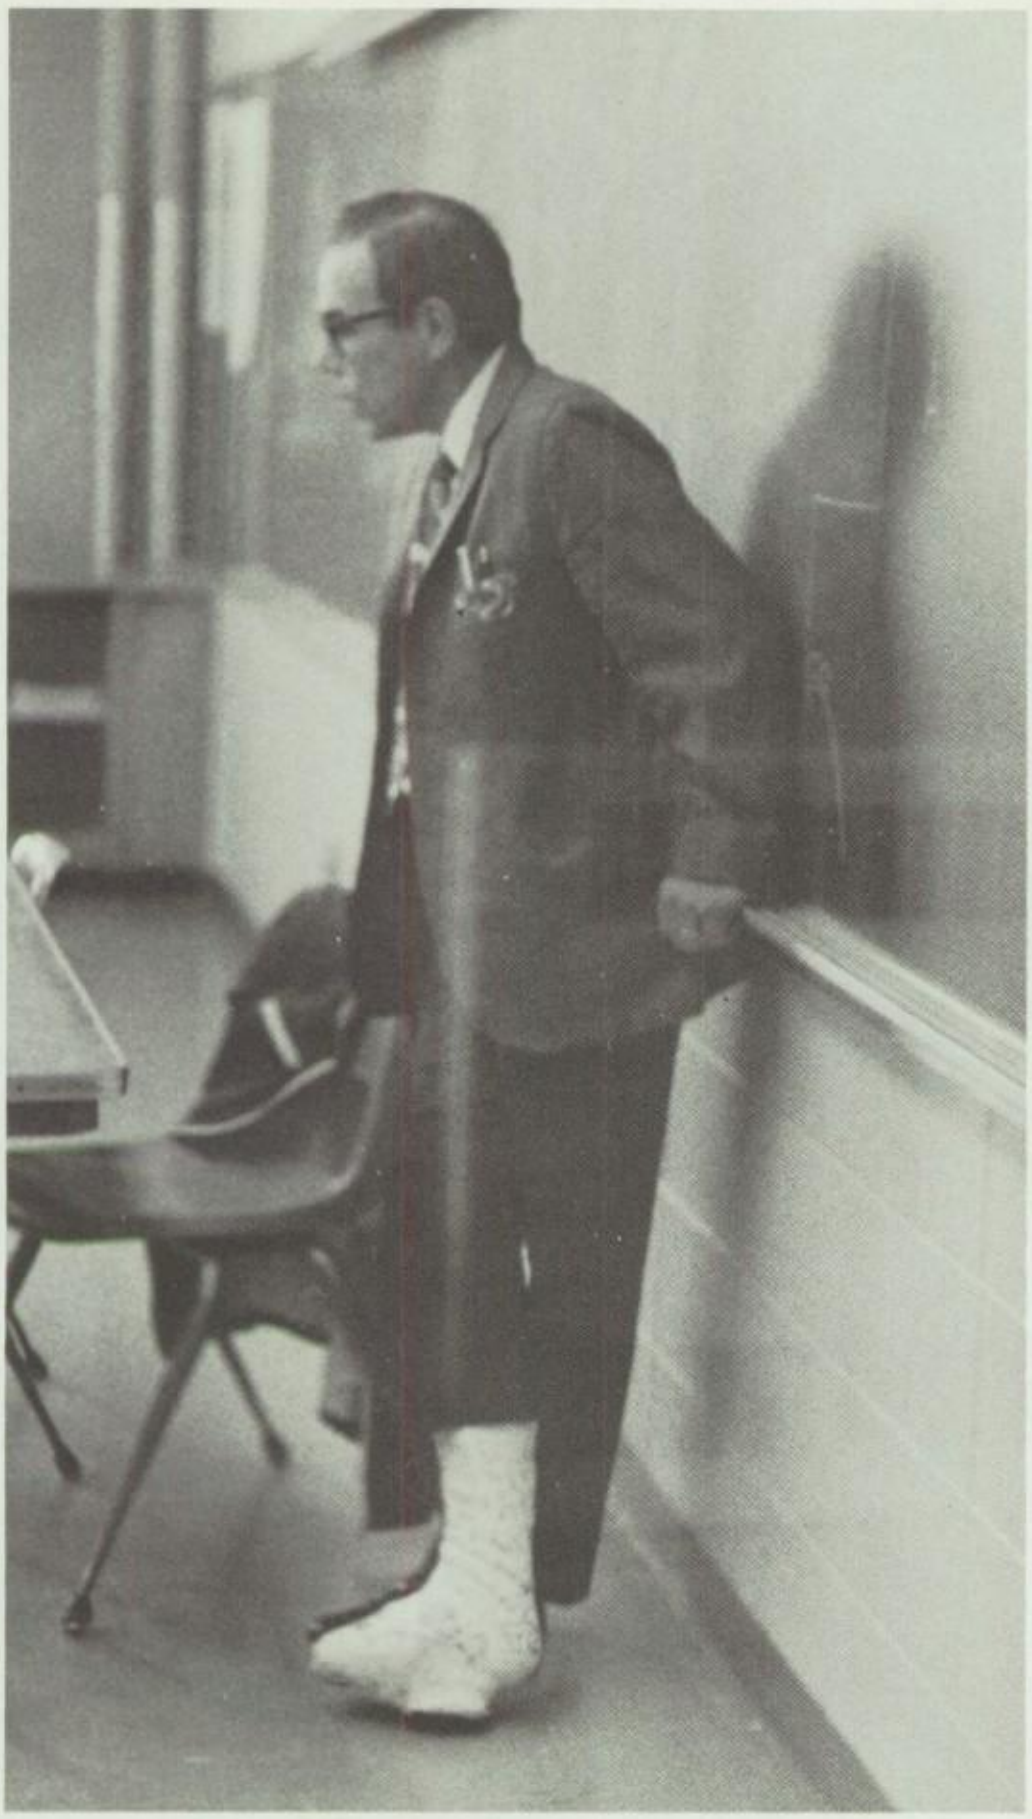
His teaching background includes teaching at Xavier HS, Appleton and Kettle Moraine HS, Wales. He has held positions at Wild Rose HS and at St. Paul, MN.
Woodworking is one of his favorite pastimes.

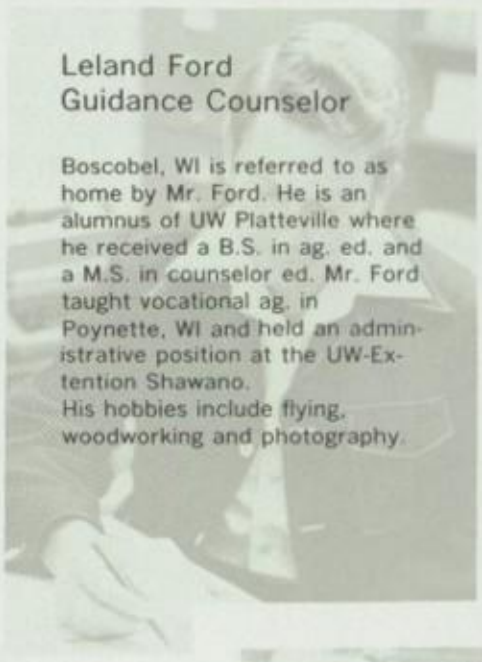
A PLACE TO LEARN

Horicon High School is made up of people, not just bricks. These people spend much time working hard in order to gain the knowledge needed to go on. HHS provides the place in which this knowledge can be obtained.



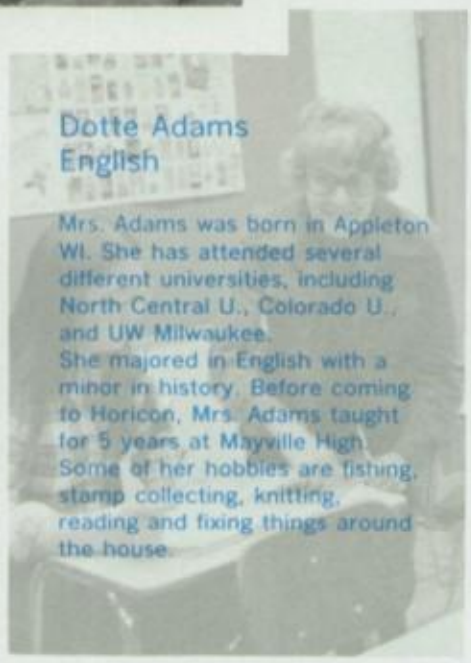
Erv Behnke
Asst. Principal

Hartford, WI is the city in which Mr. Behnke graduated from high school. He has a B.S. in secondary ed. from UW Oshkosh and has done graduate work in pol. science at UW Madison. Before coming to Horicon, Mr. Behnke taught for 9 years in Phillips, WI.
Mr. Behnke likes fishing, hunting and carpentry. He is also an active member in the WI National Guard.



Leland Ford
Guidance Counselor

Boscobel, WI is referred to as home by Mr. Ford. He is an alumnus of UW Platteville where he received a B.S. in ag. ed. and a M.S. in counselor ed. Mr. Ford taught vocational ag. in Poynette, WI and held an administrative position at the UW-Extention Shawano.
His hobbies include flying, woodworking and photography.



Dotte Adams
English

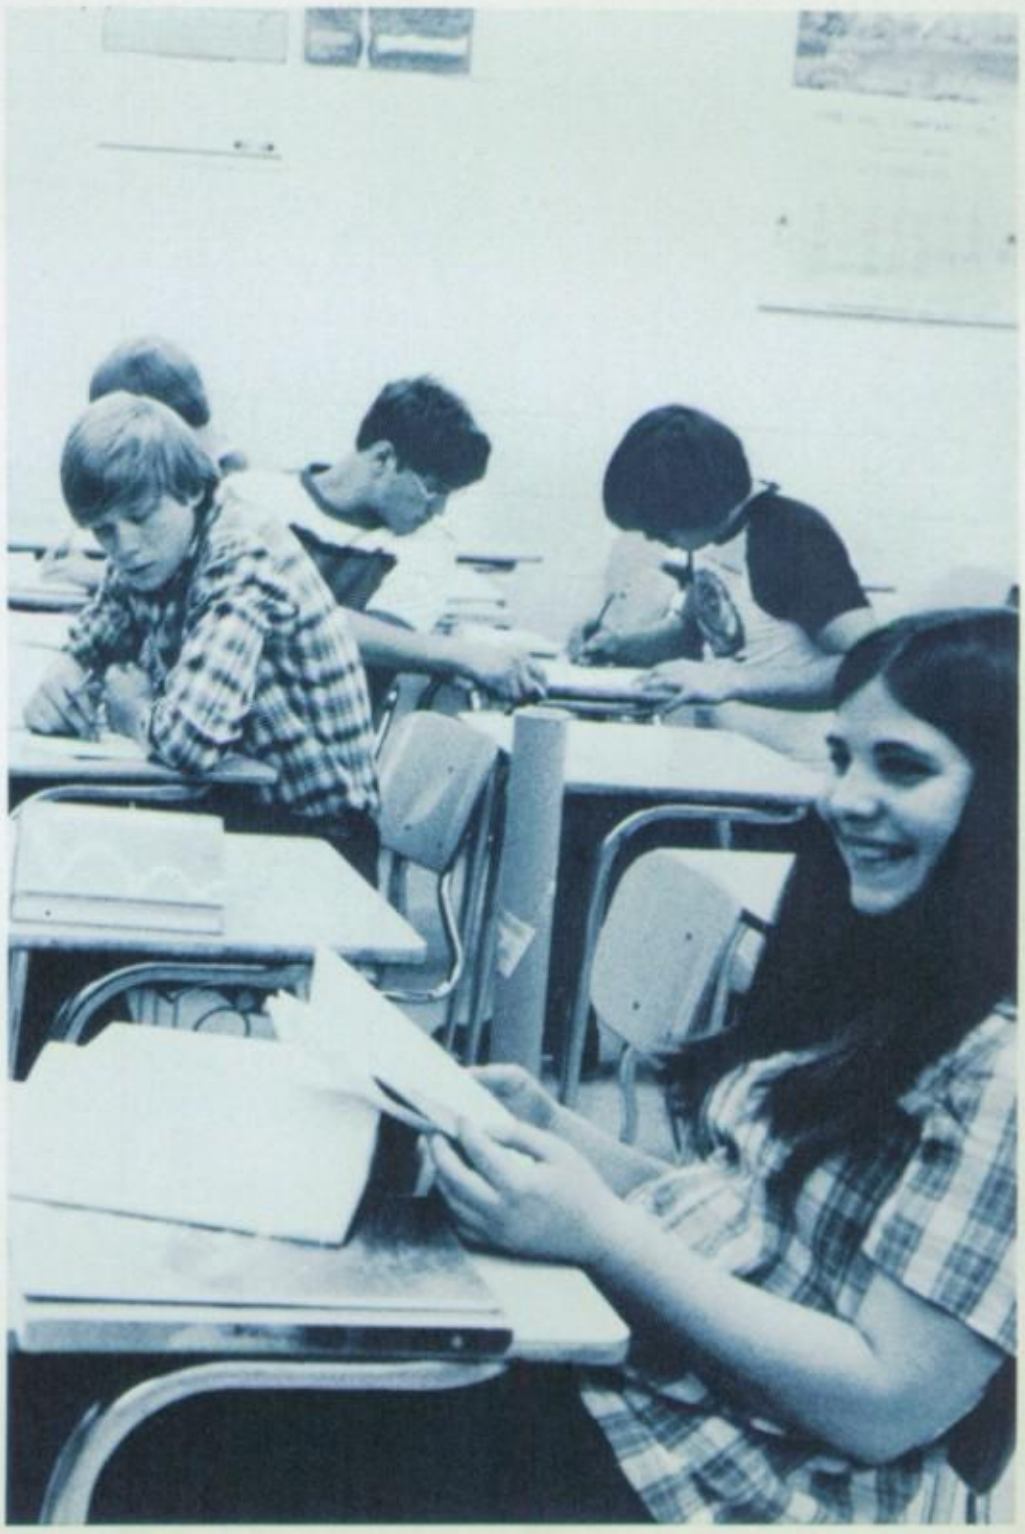
Mrs. Adams was born in Appleton WI. She has attended several different universities, including North Central U., Colorado U., and UW Milwaukee.
She majored in English with a minor in history. Before coming to Horicon, Mrs. Adams taught for 5 years at Mayville High.
Some of her hobbies are fishing, stamp collecting, knitting, reading and fixing things around the house.

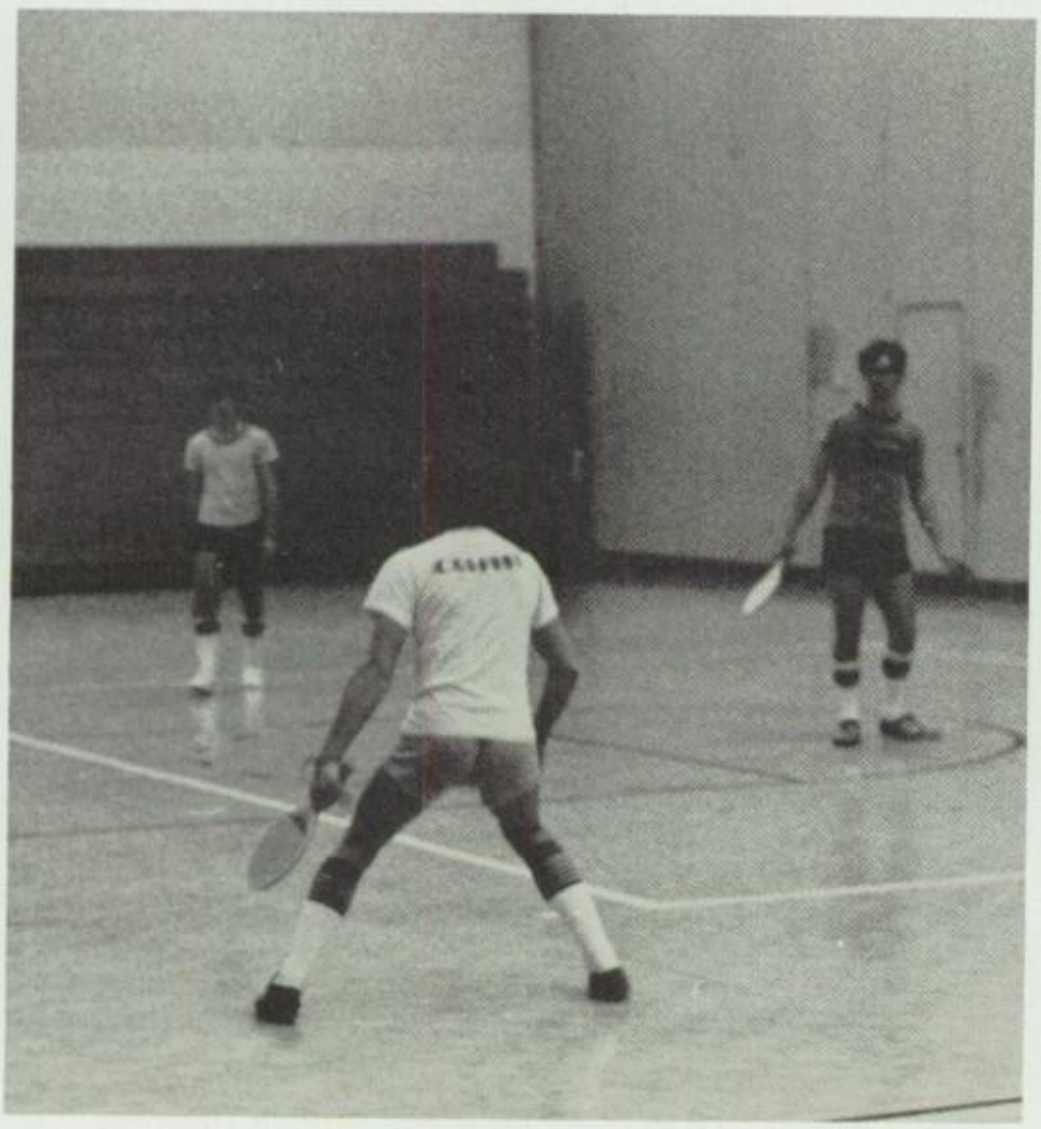
Donna Johnston
English

Mrs. Johnston was born in Green Bay, WI. She majored in speech and minored in English and Spanish at UW Madison, where she graduated in 1968. She likes teaching here because she gets to know each of her students individually.
Mrs. Johnston spends her free time golfing, reading, swimming, knitting and traveling.

A PLACE TO EXCEL,

Being the best is a key phrase in everybody's mind. Here at HHS, many areas are provided in which anyone can prove their excellence.



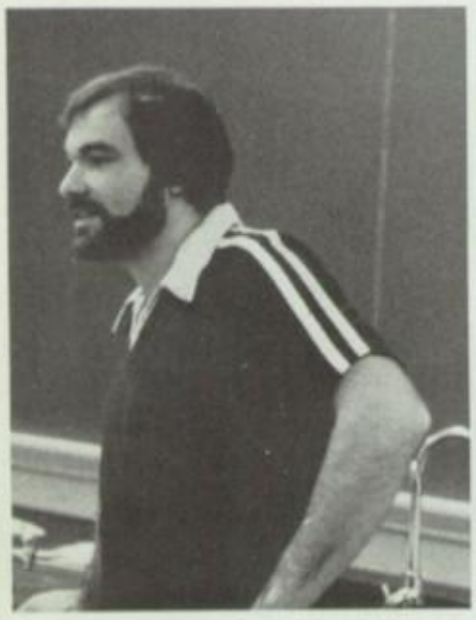


Marion Kessenich
English

Miss Kessenich comes to us from Milwaukee, WI. She attended UW Oshkosh and Cardinal Stritch where she majored in English and history. Miss Kessenich also holds a B.S. in Philosophy. Her teaching experience includes positions at St. Sebastian and St. Mary high schools in Milwaukee and at a public high school in Shiocton, WI.
Her hobbies are knitting, bowling, macrame and reading.

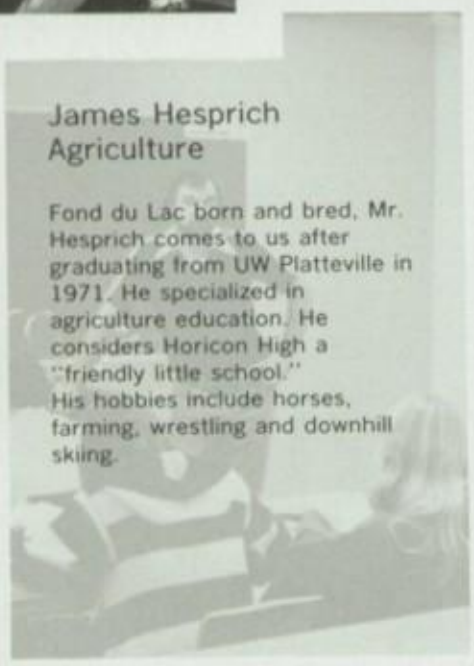
Robert McDonald
English

Mr. McDonald was born in Darlington, WI. He attended UW Platteville where he graduated in 1972, majoring in speech and English. He has recently graduated from UW Madison, majoring in educational administration. He thinks teaching at HHS is "quite an experience."
Among his hobbies are canoeing, biking, racquetball, skiing, and reading.



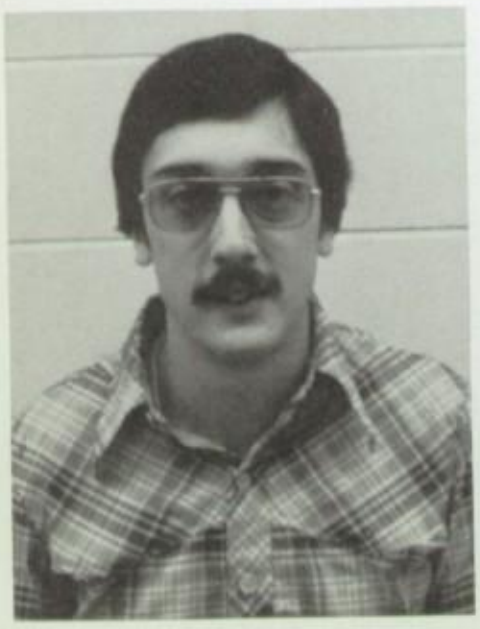
James Hesprich
Agriculture

Fond du Lac born and bred, Mr. Hesprich comes to us after graduating from UW Platteville in 1971. He specialized in agriculture education. He considers Horicon High a "friendly little school."
His hobbies include horses, farming, wrestling and downhill skiing.



Charles Hillery
Science

Mr. Hillery comes to us from Hazel Green, WI, where he was born in 1948. He holds a Masters in chemistry from UW Platteville. Before coming to Horicon, he interned for one semester at Hazel Green.
Besides teaching science and math, Mr. Hillery coaches JV football, varsity basketball and track.
Included in his hobbies are gardening and reading.



A PLACE TO BE WITH SOMEONE

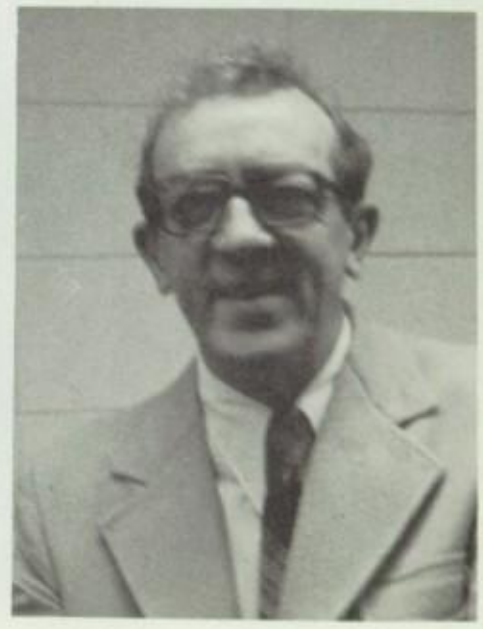
New friendships were made this year and old ones renewed. This too is a part of the process we call education.

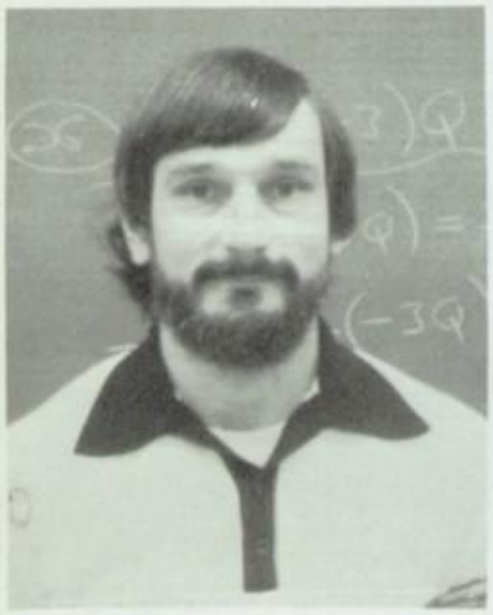
Harvey Tjader
Science

New Richmond, WI, 1947, is the place and time of the birth of Mr. Tjader. He is a graduate of Duluth U., MN with a major in biology and a minor in art. Before coming to Horicon to teach, he did water research for the Reserve Mining Co., in Silver Bay, MN.
Mr. Tjader enjoys most outdoor activities along with working with his dog.

Ernie Wallen
Science

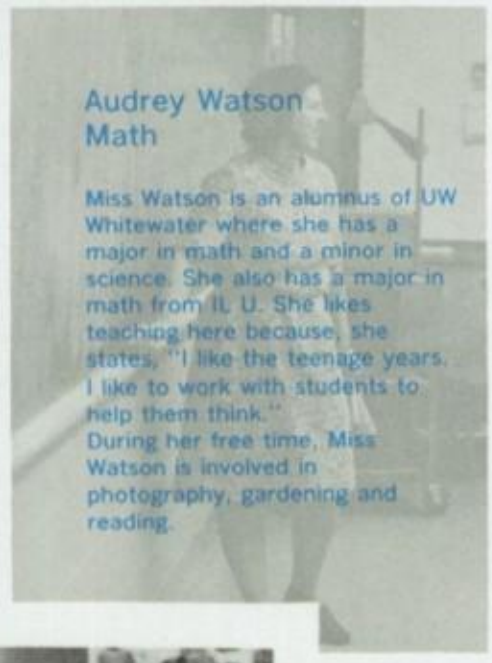
Mr. Wallen hails from Northwestern WI. He holds a B.S. from UW River Falls. He also has credits from U. WY. He spent 2 years in the insurance business and 6 years in the Armed Forces before coming to Horicon to teach.
One of Mr. Wallen's favorite pastimes is floating the Flambeau River.





Thomas Bjork
Math

La Crosse, WI is the city in which Mr. Bjork was born and raised. Later in life, he went to Winona U., MN, where he majored in math and minored in phy. ed. After graduating in 1965, he taught for several years at Brookwood High in Norwalk-Ontario, WI and at Beloit High in Beloit, WI.
His favorite pastime is participating in a variety of sports.



Audrey Watson
Math

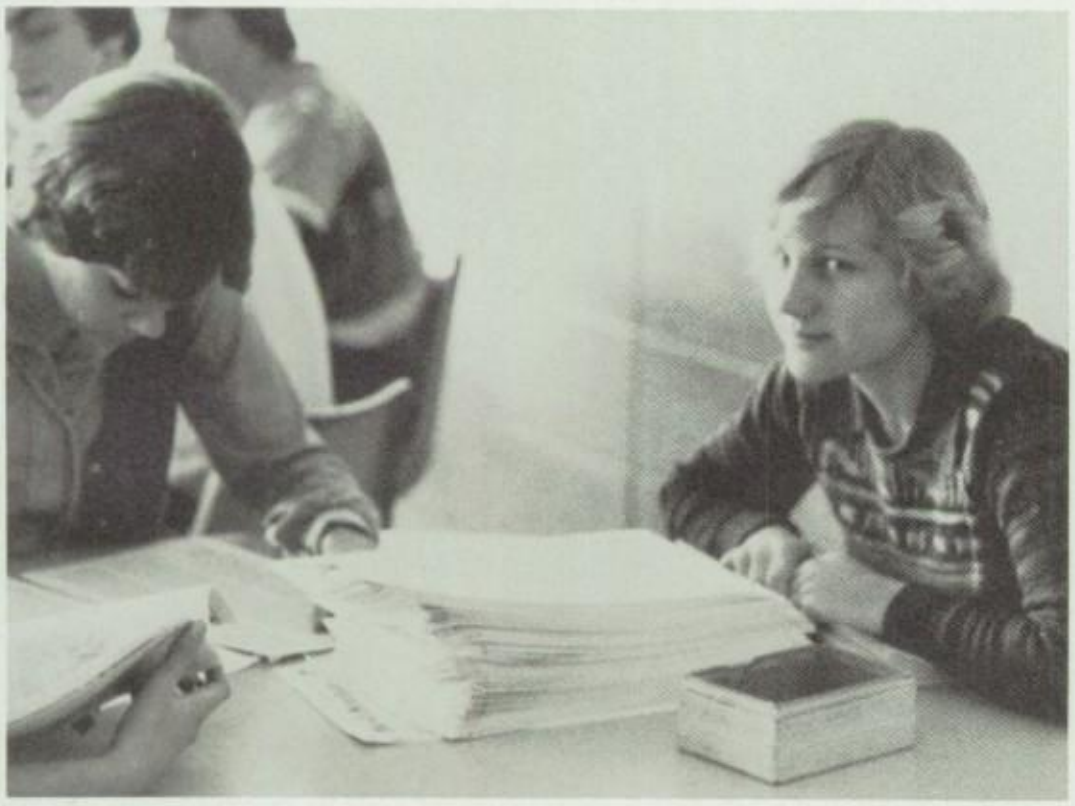
Miss Watson is an alumnus of UW Whitewater where she has a major in math and a minor in science. She also has a major in math from IL U. She likes teaching here because, she states, "I like the teenage years. I like to work with students to help them think."
During her free time, Miss Watson is involved in photography, gardening and reading.

A PLACE TO COMMUNICATE,

Whether it be visual or audio, in English or a foreign tongue, communication is one of the most important tools we have in order to learn and work together.

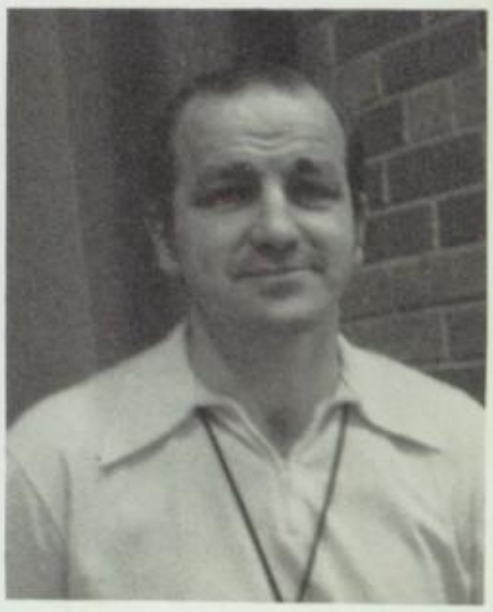
Marcie Hensel
Physical Ed.

Miss Hensel was born and raised in Dousman, WI. Upon graduating from Kettle Moraine HS, she attended UW La Crosse where she chose a double major in phy. ed. and health. Horicon became her new home after graduating from La Crosse this past May. Miss Hensel has a variety of hobbies ranging from sports to reading.



Roger Meyer
Physical Ed.

Mr. Meyer grew up in Hawkins, WI and Rockwell City, IA. He majored in industrial arts and minored in phy. ed. at Mankato U., MN. After graduation, he taught for 2 years and then returned to school to get a Masters in phy. ed.
Mr. Meyer enjoys building and any athletic endeavor.

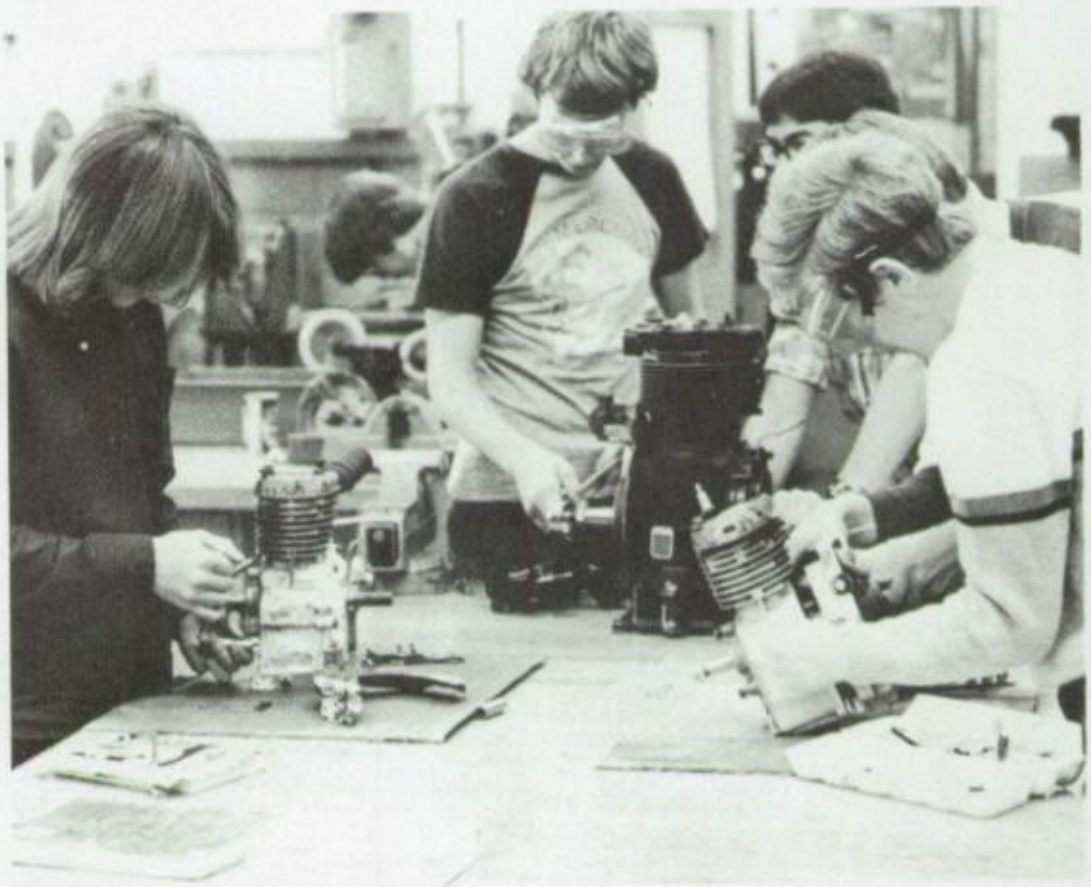


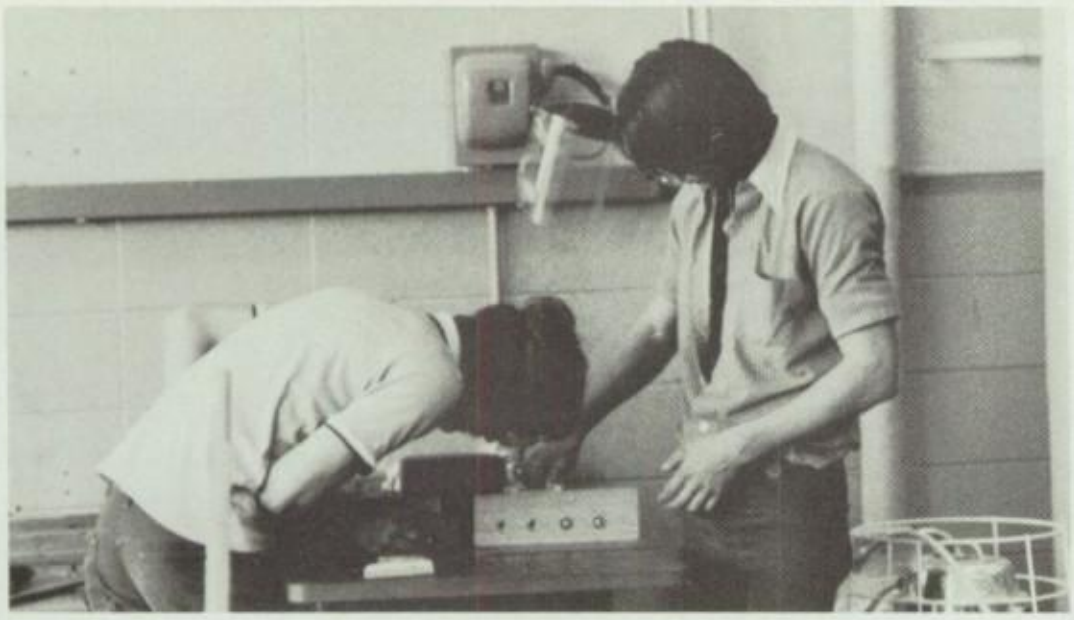
Terry Kind
Industrial Ed.

Mr. Kind is fairly new to Horicon. He comes to us from Sheboygan, WI. He graduated from Stout U. in 1977 with a broadfield major in industrial ed. He thinks Horicon is "okay for a small town."
Mr. Kind's hobbies include hunting, fishing, snowshoeing snowmobiling and water skiing.

Harry Kaul
Industrial Ed.

A true native to this area, Mr. Kaul was born and raised in Beaver Dam. He graduated from UW Platteville in 1966 with a comprehensive major in industrial ed. He likes living and teaching here, "otherwise I wouldn't have stayed for 13 years."
Mr. Kaul enjoys any form of athletics.





A PLACE TO ACQUIRE SKILL,

What is a better way to learn how to do something than to actually do it? After all, learning does not end with a lecture, but continues with participation.

Louis Anthoine
Social Studies

Mr. Anthoine hails from Dubuque, IA. He studied history and geography at UW Platteville, then came to Horicon after graduating in 1966. This year, Mr. Anthoine coached an undefeated freshman football team and boys' golf. He declares, "I've been here for a number of years so I must think the school is above average." Among his hobbies are hunting and fishing.

William Niemuth
Social Studies

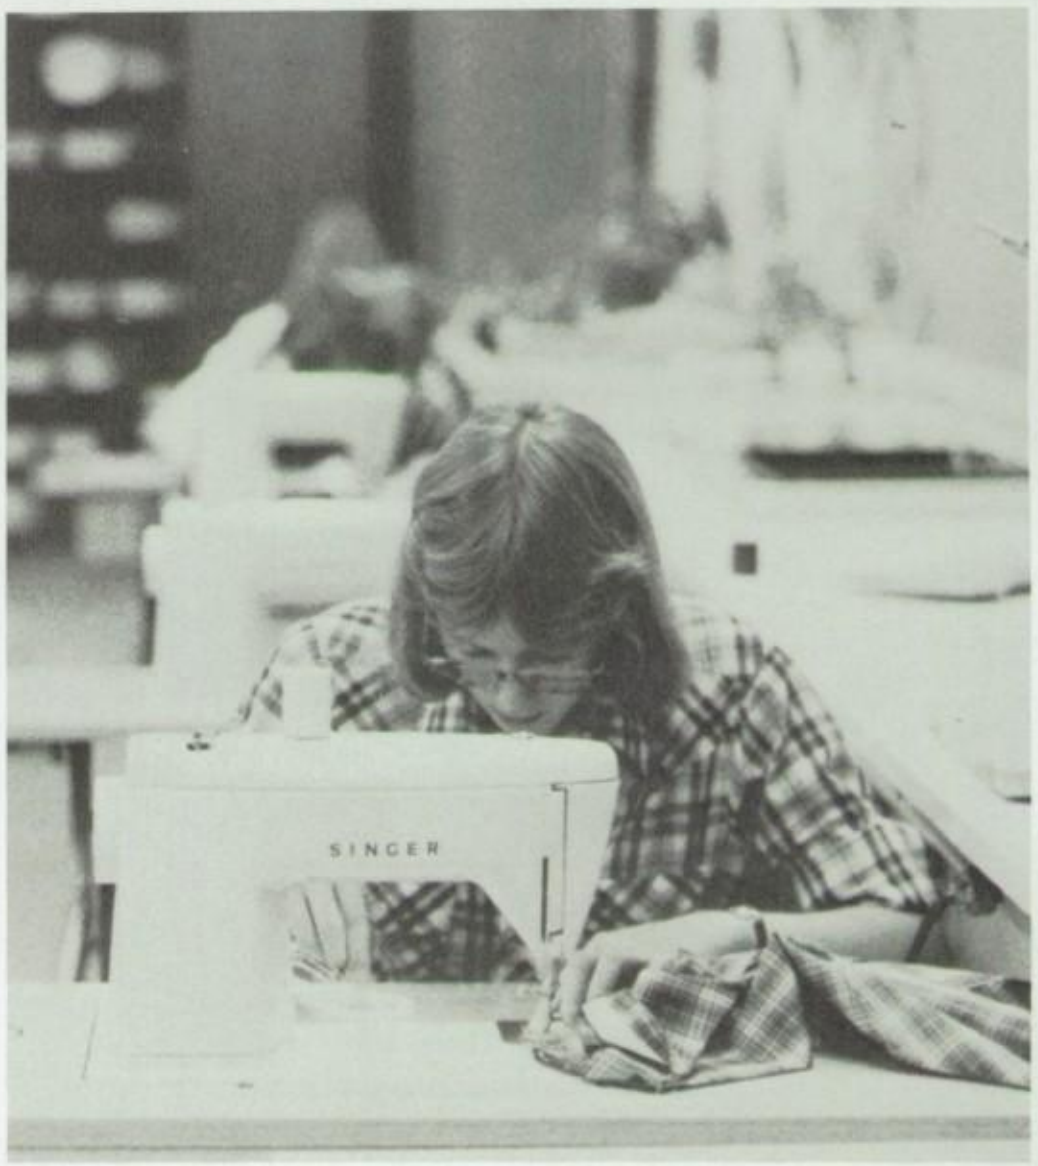
Clitonville, WI is the city where Mr. Niemuth was born in 1949. He is an alumnus of UW Stevens Point where he majored in American history with minors in drivers' ed. and health. Besides teaching a variety of subjects here at Horicon, he also coaches JV football, JV basketball and baseball.
Needless to say, sports occupy most of his free time.

Betty Leitzen
Vocal Music

Miss Leitzen was born in Freeport, IL and grew up on a farm near Stockton, IL. She came to HHS after graduation in 1970 from Milton U. She majored in voice and minored in piano. She feels this is a "fairly friendly school."
Among her many hobbies are shopping, working on various crafts and baking.

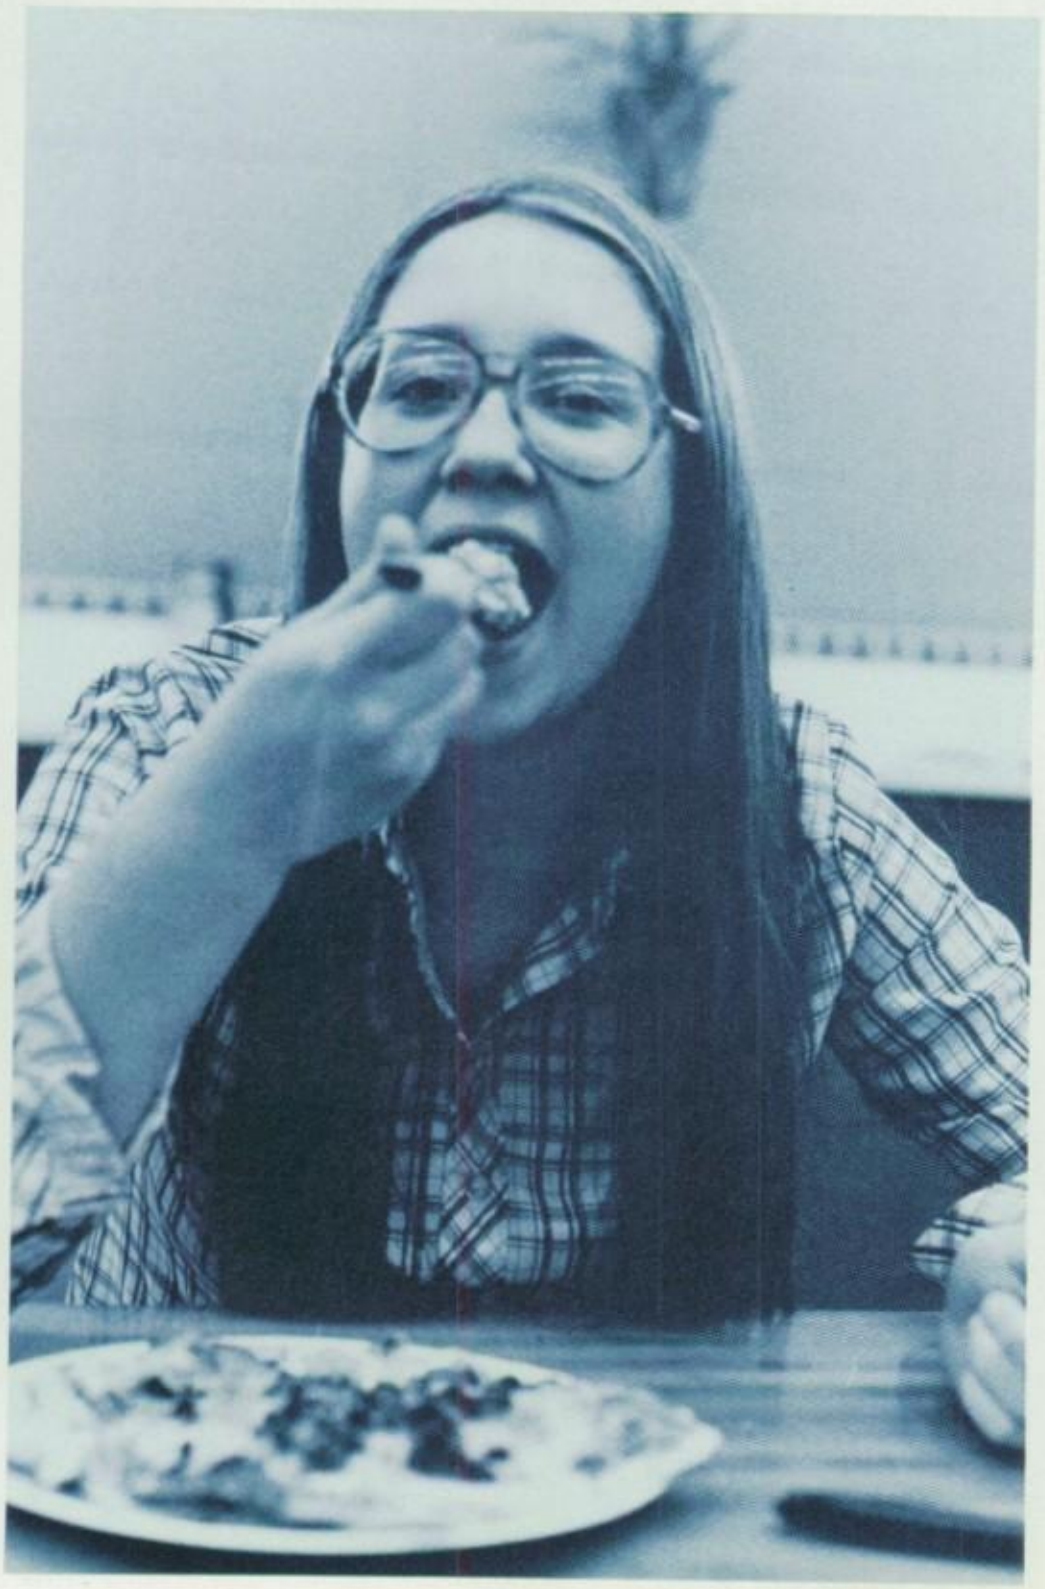
Hugh Cain
Instrumental Music

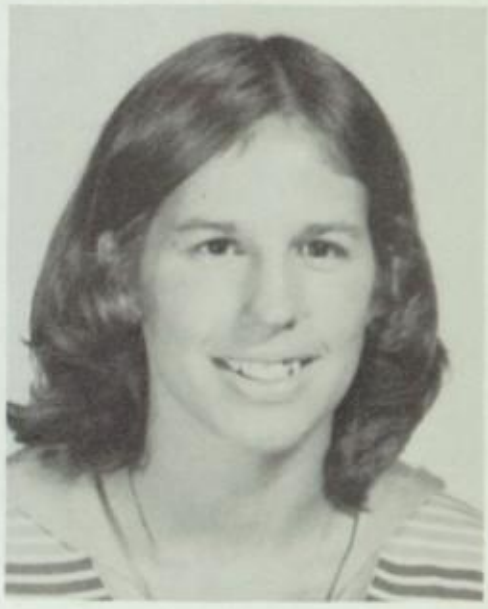
Mr. Cain hails from Elk City, OK. He is an alumnus of U. of Southern Mississippi and holds a B.S. in music education. He taught in several different cities before coming to Horicon; including Madison, Hudson Bay, Canada, Winnipeg, Canada and Montecello, WI.
When he has the time, Mr. Cain likes to play with his 18 mo. old daughter. He also likes photography and reading.



A PLACE TO CREATE,

Works of art, hand-made objects and science experiments — all require a certain amount of creative talent. The halls of our school are brimming with such talent, as one can see by walking into almost any classroom.





Larry Hereid
Business Ed.

Mr. Hereid was born in Charles City, IA. He started college at Mason City, IA with a major in phy. ed. then turned to business administration and education at Wartburg U., IA. Mr. Hereid considers Horicon High "a very nice school to teach in." Some of his hobbies are hiking, golfing, racquetball and swimming.

Jane Porubcan
Business Ed.

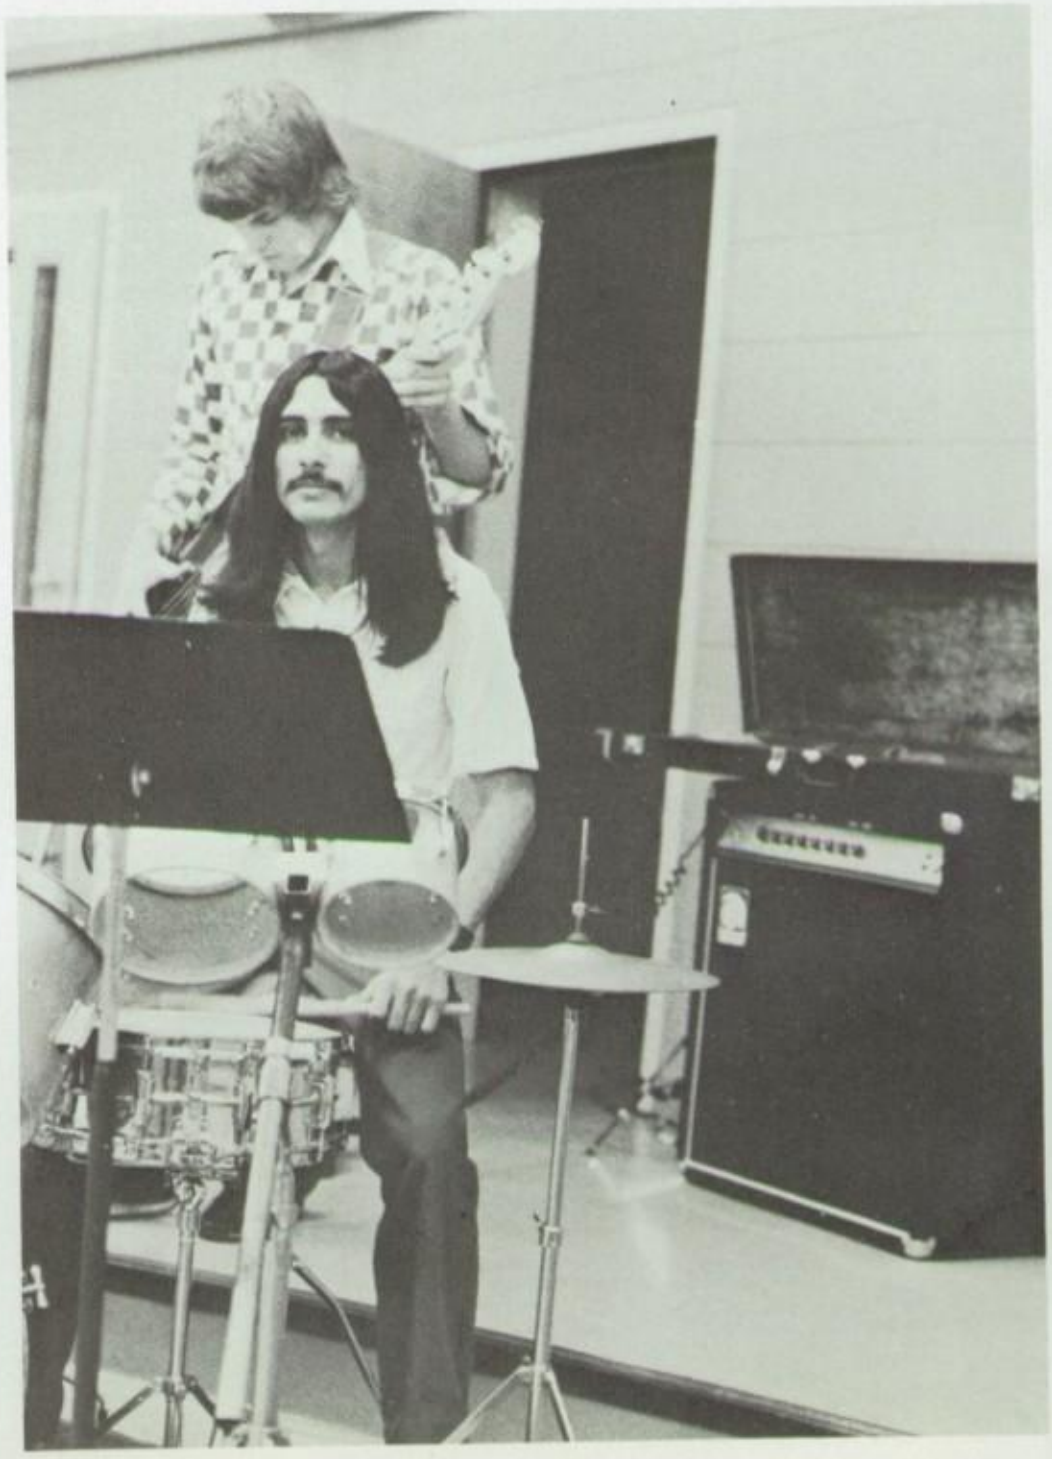
Milwaukee born and Mayville bred, Mrs. Porubcan is a newcomer to Horicon this year. She graduated in 1973 from UW Whitewater and taught business ed. for 2½ years in Burlington, WI. She is quite impressed with Horicon High and declairs, "I like it; it's a really nice school." She likes to spend her free time reading, crocheting, biking and swimming.

Mark Mulholland
Spanish

Mr. Mulholland was born in Hillsboro, WI. He majored in Spanish and education at the UW-Center in Waukesha and at Madrid U., Spain. During 1973 he taught in a summer migrant program. He thinks Horicon High "is a pretty good school." Included in his many hobbies are tennis, racquetball, reading and fixing things.

Charles Raymond Piper
Social Studies

Mr. Piper was born in New Diggings, WI. He held a comprehensive major in social studies at UW Platteville. Before teaching at Horicon, Mr. Piper spent several years at Cuba City and Rockford, IL. He likes teaching here and says, "It's where I plan to retire."
His hobbies include fishing and dancing.



A PLACE TO PERFORM,

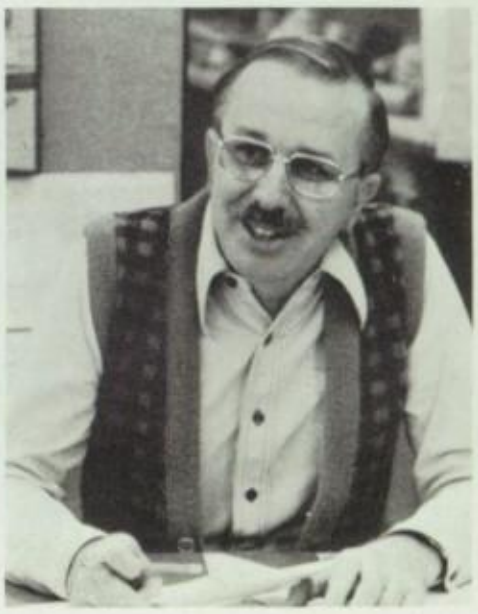
Practices and rehearsals are prominent words in the lives of performers and this is no exception for the many performers here at Horicon. The time spent practicing surely pays off as these students take their bows before an audience.

Kay Phillips
Home Economics

Mrs. Phillips spent most of her childhood in the city of Mascoutah, IL. She later attended Stout U. and holds a graduate degree in home economics. She also has a teaching background in professional food service.
Her major pursuit of interest is learning how to fly. She is taking ground school at MPTI in Fond du Lac and flight school at Oshkosh.

Earl Ritter
Art

Mr. Ritter was born and raised in La Crosse, WI. He is a 1962 graduate of UW La Crosse and has taken graduate courses at Oshkosh. He majored in history with minors in music and art. He later majored in art. Before coming to HHS he was a manager of a shoe department in La Crosse; spent 2 years in the Army; and taught at Alma Center, WI.
Mr. Ritter is involved in theater production and painting.



AND A PLACE TO REMEMBER.

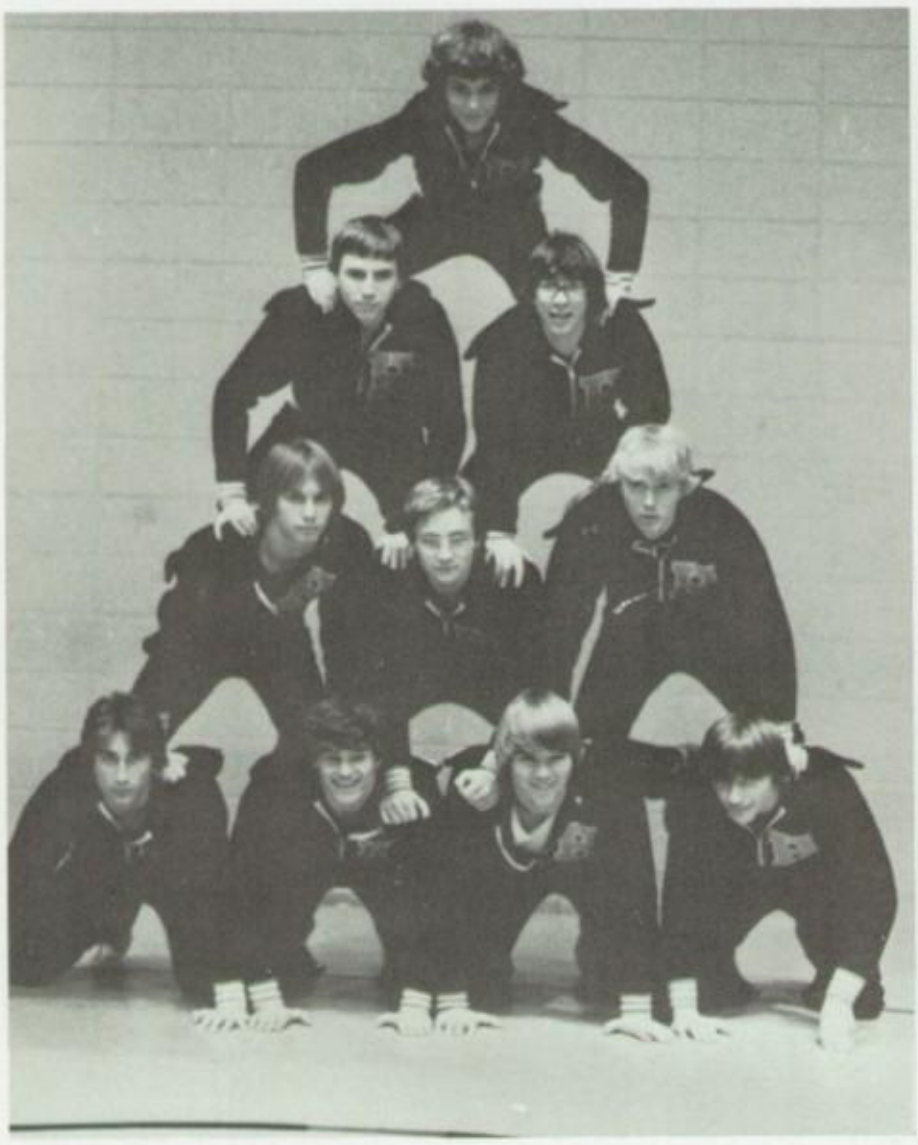
4 Stats. Michele Boldt, Dawn Robinson, Robin Birr, Mary Polenska.

This years girls' basketball teams played well in only their second year of existense. The varsity, coached by Miss Hensel, struggled through most of the season but always managed to give their opponents a good fight. The J.V., coached by Mr. Buhr, was the team to beat in the conference, posting a 12-3 record. Because of the great participation, a Freshman team which played four games was established.

WRESTLING



This year's wrestlers, under the supervision of two new coaches, Mr. Marohl and Mr. Desjarlais, showed great ability in posting another winning season. The team posted a 7-6 dual meet record and 5-2 in conference action.

The grapplers also did well in the Horicon and Waupun invitationals, along with taking fourth at the conference meet. Six wrestlers advanced to regionals in Waupun. Two of them, Ed Schmidt, at 112, and Nathan Wilke, at 167, traveled to sectionals at Oshkosh North.

WINTERFEST

A new event came to our school this year. Sponsored by the senior class, the first annual Winterfest brightened up the long, infamous winter season. Some of the activities organized were checker games, arm wrestling, volleyball games, and free throw contests. All events pitted one class against another. Concluding the festivities was a dance with music by Anthem.

Winterfest court: Gwen Chynoweth, Jeff Beilfuss, Keri Claflin, Greg Braker, Queen Grace Wrucke, King Brian Bischoff, Barb Hagen, Greylan Richardt, Bonnie Dittberner, Al Salinas, Sara Neitzel, Ray Aumann, Mary Karsten, Chuck VanderSchaaf, Rita Zeller, Paul Loomans.

VARIETY SHOW

Variety shows at HHS have a reputation of being great events, and the 1979 edition did nothing to disprove this. The faculty came out in full force with our students as many hidden talents were brought to the stage. Mr. Piper commandeered an encore from the audience with his singing, while other performers danced away in merriment. Students' skits and songs were warmly received by all.

GOLF

The 1978 Horicon Boys' Golf team showed outstanding strength again this year on the way to its seventh conference title in the eight years of the Flyway Conference. The team, coached by Mr. Anthoine, went undefeated in conference play, winning the conference meet handily. The Marshmen placed second at regionals and advanced to sectionals in Madison where they placed eighth.

TENNIS

The 1978 Boys' Tennis team had a fine season this year going up against many tough opponents. The team posted a 6-8 dual match record including a strong showing in the middle of the season when they shut out both Berlin and Ripon. The racketmen had a new coach this year, Tom Hendrix, who tried to guide his players towardvictory. The Marshmen played well in sub-sectionals at Oshkosh but missed qualifying anyone.

TRACK

Our track team of 1978 saw the loss of many great runners from previous years. It was supposed to be a rebuilding year, But under the direction of Mr. Meyer and Mr. Hillery, our boys continued the winning tradition of Horicon High School and took 2nd in conference, losing out in the last event to N. Fond du Lac. Some of the squad advanced past regionals with Brian Bischoff placing second at the state track meet.

Only four members of the team were lost to graduation, so more good years are indicated.

1978

Our girls' team of 1978 had an extremely successful season. With the help of many talented underclassmen, our girls never took lower than second, except for a third at the Slinger Invitational. Mrs. Meyer and Miss Skogland provided the guidance for this winning team, which also took second at the conference meet. The 880 relay team placed fourth at state, with the 440 relay team taking fifth. Two members of the squad were seniors, so the team is looking forward to even bigger and better accomplishments.

BASEBALL

The 1978 baseball team compiled an excellent record this year on its way to the Flyway Conference and Regional Tournament crowns. The team, under the direction of coach Bill Niemuth, went 7-3 in conference action and 11-6 overall. The post season play gave Horicon some of its most exciting games, winning both the Regional Semi-Finals and Finals by one run.

The Marshmen placed five men on the first team All-Conference squad. They were Ken Baerwald, Mark Bunkoske, Jim Gregory, Russell Mann, and Joel Schultz, Ken Baerwald shared the Batting Championship with Joel Schultz who was also chosen the Most Valuable Player.

PROM
MAY 6, 1978

The evening of May 6, 1978, found seventy-eight couples walking through a sea of blue and turquoise crepe paper; past elegant swans; and entering a world of fountains, gazebos, roses, and starry skies.

As they danced to the music of the Sunrays, these people all shared in a dream. A dream that had come to reality as a result of the efforts of the 1978 Junior Class.

Gazing at the dancing couples, one would find it hard to believe that just the night before the halls and gymnasium were still being decorated and that refreshments had yet to be prepared.

Many weeks filled with hard work and anticipation preceeded the big night. With Jon Howe as Prom Chairman, committees were set up and put to work, in order to create a park-like setting for the theme song, "Time in a Bottle"

Post prom was held at the union hall from 1-4 a.m. Music was provided by the group "Numbers".

MAY 18-20, 1978

For those who enjoy music, drama and displays of artwork, the annual Tri-Arts festival was the place to be. Music played by our jazz and concert bands and songs sung by the Madrigals filled the air while the crowds gazed at a vast display of artwork created by grades K. through 12. A touch of spice was added whn the "Tell-Tale Heart" was performed by members of our forensics team.

In the fall of 1975, the halls of Horicon High School welcomed 120 new people from three different grade schools. With a new way of life ahead of us the members of the class of 1979 joined together to become friends and co-workers for the next four years. As the result of our first class meeting, we managed to elect Susan Hoffman as our president and Jane Rex as our Sec./Tres. Susan and Jane guided us through many new experiences; the first of which was Homecoming. Homecoming was the first chance we had to prove ourselves to the rest of the school. After much hard work at Hartl's warehouse, we managed to clasp third place in the float competition with our "centipede" and slogan, "We'll Stomp Them To De Feet."

Although we were confronted with many new challenges in our freshman year, one thing we couldn't escape from was study halls. Remember how everyone was so anxious to get their three-mod-a-day cafe passes for the second semester? Our freshman year concluded with our first encounter with final, year-end exams. We obviously did well, for the fall of 1976 found us as sophomores.

Changes occurred as we entered our sophomore year. For the first time, there was actually someone who had to look up to us. With Melanie Mayo as our president and Karen Michael as our Sec./Tres., we organized ourselves into a very successful class.

The first thing we did was come in first in the float competition for Homecoming. Time and effort put in at Mayo's garage produced the winning float with the slogan, "We'll Grind Their Armor Into Hotdogs." Coming out on top in that category helped us to win the spirit stick that year.

We were also very successful at raising money as sophomores. In anticipation of next year's prom, we sponsored such profitable activities as a WOKY Wobblers basketball game against the faculty, a Christmas dance and hundreds of sock-hops and bake sales

Choosing class rings, learning how to drive a car and performing dissections in biology class all played an important part in the growing and learning process everyone experienced during our sophomore year.

Becoming upperclassmen was a great feeling as we ventured into our Junior year. A sense of accomplishment was knowing we made it that far.

The first order of business was, of course, selecting class officers. We chose Paul Loomans as President and Karen Michael as Sec./Tres. Under their direction, we put up a tough fight against the seniors during Homecoming week and managed to come away with second place.

Christmas time became a fond memory with the help of our Christmas program. A lucky few will remember being picked to participate, blindfolded, in that infamous obstacle course. One thing is quite certain, more than just a few surely won't forget the pie-throwing contest; especially when the targets were members of the faculty.

The main event for that year, however, was Prom. Fund-raisers by the score were sponsored in order to earn enough money so that everyone could share it a small bit of "Time in a Bottle."

With spring fast approaching, we all felt the anticipation we would experience of attending our final year. Soon, the biggest decisions of our lives would have to be made.

The 1978-78 school year arrived quicker than we thought it would. Now our class really had to get it together and get some really important things done.

To guide us through our Senior year, we chose Nathan Wilke as our President and Karen Michael (once again) as Sec./Tres. With their leadership we pulled through such decision making as what our graduation song, colors, flower and motto would be. Being organized and full of spirit were the major factors contributing to our victory during Homecoming week. The class of '79 came out on top in almost every event and took the spirit stick at the end of the pep rally.

We tried to set a new tradition at HHS by establishing the first annual Winterfest. Members of our class helped spearhead the activities which were intended to help bring about a greater school unity.

Although unity and co-operation were what brought us through this last year, there were some decisions that had to be made individually. Whether it was going on to school or getting a job, each member of our class had to make that choice by himself.

As we take our last laps through the halls of HHS, many memories of old traditions and new experiences fill our minds. Four years of our lives were spent between these walls. Much happened here that touched, shaped and molded our lives.

Like the uncertain freshmen who enter with the anxiety of facing a new way of life, we once again step into the unknown. We are filled with the hope that each of us can find happiness and a sense of fulfillment in whatever we choose to do.

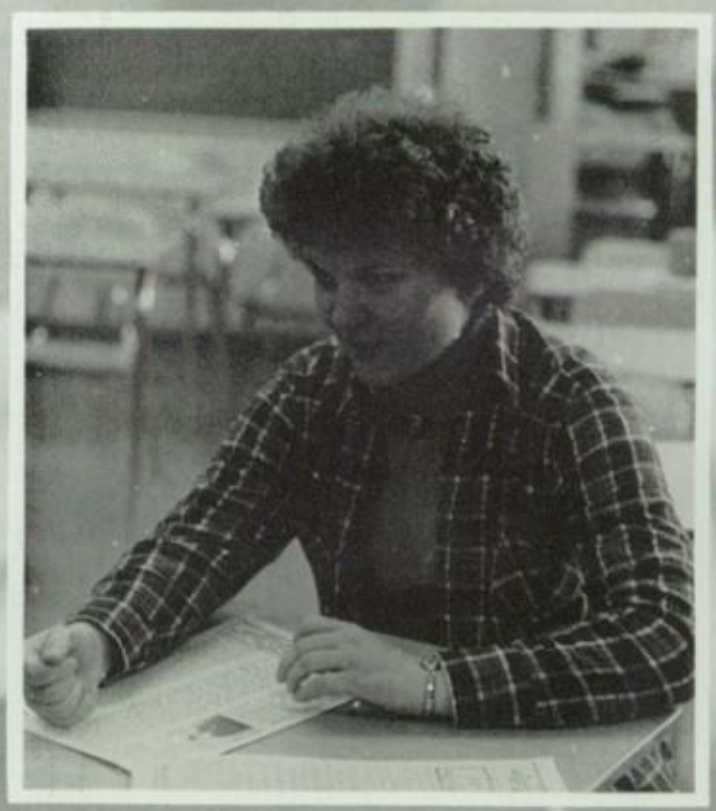
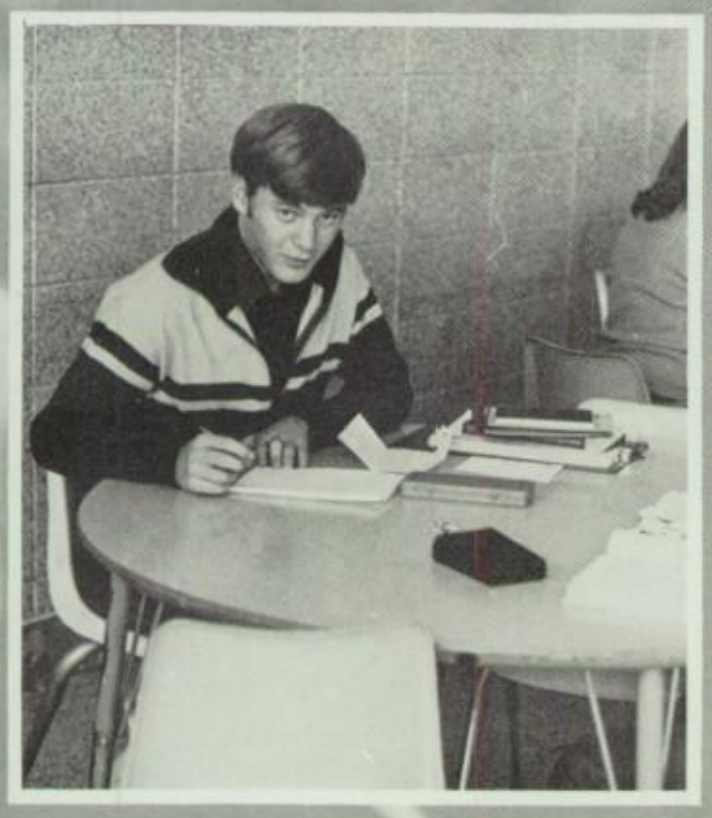
. . . from our land of scenic beauty and wide open spaces to a lifestyle that is a little less conservative has proven to be an interesting experience. I've found that Americans are mostly the same warm and friendly people, and enjoy a lifestyle that is very much the same as ours - except for a few notable differences!





. . . after finally arriving in the U.S., I've seen how Americans live with all their snow, subzero temperatures and bare trees, with all their big cities and small towns, with their multilane highways, their fancy cars, their awe inspiring skyscrapers, and their friendly, ever helpful smiles. But I miss the beautiful, warm sunshine, the vibrant singing of the tropical birds, and the relaxed way of life. The U.S. is indeed different!

IN REMEMBRANCE OF JON HOWE

Our reflections in a pool of tears —
Distinct emotions,
Hibernating,
Entwining branches of memories.
We are like the barren trees
  who reach for their fallen leaves —
So close,
Yet never to return.
The path he's on is endless,
He walks with eternal freedom.
There's a peacefulness in knowing
  we'll meet again —
For our footsteps are not far behind . . .

I gaze into this mirror and see myself as a graduate either now or in the near future. I have spent this past year as a student of Horicon High School. I have learned new subjects; I have made new friends; I have grown. This yearbook is a collection of my memories. It is my record of my 1978-79 school year. It is a part of me. It is a part of my **REFLECTION.**
